TRANSPLANT FACTS

- ☀ More than 110,500 Americans are waiting for a transplant.
- ☀ More than 7,000 of those people will die this year while waiting - that is 18 people every day!
- ☀ 8 people could be saved and the lives of up to 50 could be improved by one person's donation.

☀ 2011 Thrasher Award Dinner ☀

Please join us on **September 15, 2011**, for the Thomas Thrasher Award Dinner. At this annual fundraising gala N.O.T.E. recognizes the contributions of those who excel in the field of transplantation.

Where:

The Rusty Pelican Restaurant
2425 North Rocky Point Drive
Tampa, FL 33607

Tickets:

\$75.00 per Person
\$750.00 for a Table of 10

Please call or email

N.O.T.E for more information:
813-300-3454 / noteorg@tampabay.rr.com

2011 Golf Tournament

Sunday, July 17, 2011

Plantation Palms Golf Course
23253 Plantation Palms Boulevard
Land O' Lakes, FL 34639

OUR MISSION

To promote organ and tissue donation and provide social, emotional and financial support to those impacted by organ and tissue transplantation.

WHO WE ARE

In 1985 Thomas Thrasher became the first successful heart transplant recipient in Florida. After his surgery at Tampa General Hospital, Thomas established the all volunteer National Organization for Transplant Enlightenment (N.O.T.E.) to:

- ☀ Promote awareness of the need for organ and tissue donation so even more of those awaiting transplantation might receive the "Gift of Life."
- ☀ Provide financial, social, and emotional support to pre- and post-transplant recipients and their families.
- ☀ Solicit and manage contributions for direct patient care.
- ☀ Establish a communication network between those impacted by transplantation and a wide range of transplant professionals.
